

Dear Bill,

In our time of sorrow,
you have been kind,
considerate and caring.
We appreciate all that
you have done. It has
meant more to us than
you can possibly know.

Thank you so much,
The Nicholas Tatich Family
The David Peter Romik

You might think
that what you did
was a little thing
because you do so much
for others all the time,
but it is rare to find
people as considerate
and thoughtful as you.
